

BENDIGO

GENERAL THREATS

Specific industry groups (pollution, sediment)
ID: 3.0

Roads (sediment, nutrients, pollutants, toxicants)
ID: 7.0

Historic mining activities (toxicants, sediments, salinity)
ID: 8.0

Sewer, septic tanks, sullage (nutrients, pollution)
ID: 12.0

Residential areas (nutrients, pollutants, toxicants, litter, sediment, salinity)
ID: 13.0

Railway reserves (sediment, litter)
ID: 16.0

Sports facilities and ovals (litter, nutrients, pollutants)
ID: 17.0

Golf courses (nutrients, pollutants, sediments)
ID: 18.0

ID numbers refer to Table 6

Waste water treatment plant (nutrients, pollutants)
ID: 9.0

Large industries (sediment, pollutants)
ID: 10.0

Racecourse (nutrients, sediments, pollutants)
ID: 19.0

Lake Neangar and Lake Tom Thumb (salinity, sediment, litter, nutrients, algal blooms,)
ID: 11.0

Linear parks and trails along waterways and main drains (litter, sediment, pollutants, nutrients, salinity)
ID: 1.0

Large industries (sediment, pollutants)
ID: 10.0

Showgrounds (sediment, litter)
ID: 15.0

Lake Weeroona (sediment, litter, nutrients, algal blooms)
ID: 5.0

Commercial (nutrients, pollutants, litter, sediment)
ID: 14.0

Kennington Reservoir (salinity, sediment, litter, nutrients, algal blooms)
ID: 6.0

Development, building (nutrients, sediment, salinity, pollution, toxicants, litter)
ID: 2.0 & 4.0

Development, building (nutrients, sediment, salinity, pollution, toxicants, litter)
ID: 2.0 & 4.0
