

Community Plan 2013 – 2016

Your quick reference

The Axedale community plan has an important purpose for the community and visitors of Axedale. It is a key point of reference that identifies community-identified priorities, goals and milestones that mark our Community's achievement and success.

Extensive consultation has resulted in the development of the plan that will guide the work of Axedale Our Town – Our Future committee over a 3-year period. This quick reference aims to provide an 'at a glance' guide for our community.
