BENDIGO

Bendigo's Ulumbarra Theatre rises from within the walls of the City's 1860's Sandhurst Gaol. Meaning "gather together" or "meeting place" in the language of the local indigenous people, Ulumbarra blends heritage and modern elements beautifully offering distinctive state-of-the-art event spaces.

With an auditorium capacity of 950, break out options include expansive foyers, adjoining studios and modern meeting rooms. Externally see three historic courtyards landscaped and provisioned for a range of events.

One of the two 1860's cell blocks has been preserved and provides a unique location for creative event opportunities. Even Ulumbarra's abundant main stage can be transformed to accommodate dinners or intimate performances.

The real benefit for event organisers choosing Ulumbarra is the ability to create a truly memorable event, delivered seamlessly by our professional team.
