The Greater Bendigo community is invited to submit their ideas for an appropriate name for the new centre, which is under construction in Browning Street, Kangaroo Flat. Mayor Cr Margaret O’Rourke said the name needed to be something the community would embrace.

“This is a unique opportunity for residents to be part of the largest-ever project to be built by the City of Greater Bendigo, which we are delivering in partnership with the State and Federal Governments,” Cr O’Rourke said.

“I look forward to hearing what the public thinks a facility like this should be called. There are endless possibilities and I’m sure it will be a challenge to select a name.

“The person or family who submits the chosen name will be invited to a preview pool party.”

To submit your idea, see the details on the back of this brochure.
HOW CAN YOU HELP?

SCHOOLS

The new centre will benefit not only the Kangaroo Flat community but the wider region, and primary schools across Greater Bendigo are encouraged to hold events to contribute towards the $1M aim.

Students at schools that contribute $2,500 will be invited to a pool party in their honour to thank them for their hard work. Smaller schools may consider joining with larger ones so they do not miss out on the opportunity to participate.

SPORTING CLUBS

With a number of pools, a gym and wellness centre, the new centre will provide sporting clubs with the ideal setting to look after the health and wellbeing of their players and members.

A $2,500 contribution will provide clubs with an invitation to a pool preview event.

MAKE A DONATION

The Greater Bendigo Indoor Aquatic and Wellbeing Centre community fundraising drive is a joint project between the Kangaroo Flat Community Enterprise and Bendigo Community Health Services. Donations over $2 to Bendigo Community Health Services (ABN 76 026 154 968) may be tax deductible. Support a healthier community by depositing your donation at any Bendigo Bank branch.

LOCAL TRADERS HELPING DELIVER OUR NEW AQUATIC AND WELLBEING CENTRE

The new centre is taking shape! Anyone who drives or walks past the Browning Street site will see the steel structure for the building standing tall.

Over the coming months all external steel will be in place, so we will get an understanding of how big the building will be. The structure of the 50m pool will be complete by the end of July, with the next steps being to lay a protective membrane and put the tiles down. The next pool to be built will be the hydrotherapy pool. The roof will be almost complete by the end of August, with the internal wall framing, walls and windows to then be installed. Blackwork for the change rooms and wellness suite will also be complete and concrete trades have been provided by Bendigo businesses, which is a fantastic outcome for our local economy.

CONSTRUCTION IS EXPECTED TO BE COMPLETE IN EARLY 2018

What you have to look forward to:

- Eight lane, 50m swimming pool
- Indoor splash play area
- Learn to swim pool
- Hydrotherapy pool
- Wellness centre
- Spa and sauna
- Gymnasium
- Multipurpose rooms
- Café
