

We're looking for volunteers to help fight the war on waste in Greater Bendigo!

The City of Greater Bendigo's Resource Recovery and Education unit is looking for people with a passion for the environment and waste management to help us clean up local public facilities and parks, assist in promoting waste education at local events and to undertake bin audits to educate the community.

So, if you have a passion for the environment and waste management, we have positions based on your interest and encourage you to look at the volunteer opportunities that are available.

Positions available include:

- **Waste Monitor**
- **Event Assistant**
- **Litter Controller**
- **Bin Inspector**

Applications are now open and you can apply for more than one role.

To find out more about these positions and to complete an application form to become a part of something valuable please visit www.bendigo.vic.gov.au/waste

Sign up to become a Greater Bendigo Resource Recovery and Education volunteer today!

If you would like to know more about each role, please visit www.bendigo.vic.gov.au/waste or contact our Resource Recovery and Education Project Officer by phoning 5454 9574.
